Narrative of Supplemental Report:

On 11/26/2013, I received a verbal request from Detective D. Smith to process a vehicle: Nissan Altima, tan, California license plate #7CHH175. At 0812 hours, I arrived at the vehicle, parked in the Magnolia Station Evidence Bay. I took digital photographs of the vehicle and evidence identified by Detectives D. Smith and J. Brandt. I collected Evidence Items #VEH01-VEH05, VEH08-A through VEH08-C, and VEH09 from vehicle. I conducted a field presumptive test kit for possible opiates on Item #VEH03, assisted by Detectives Smith, Brandt, and R. Wheeler. The test was inconclusive for possible opiates. I secured Items #VEH01-VEH05, VEH08-A through VEH08-C, and VEH09 in the evidence vault. I downloaded (56) digital photographs to a secure file format.

Later that day, I took (11) digital photographs of and collected Evidence Items #VEH06, VEH07, and VEH10 from the vehicle. Refer to the Photo Log and Evidence Log. I removed Items #VEH01-VEH05, VEH08-A through VEH08-C, and VEH09 from the evidence vault for packaging. I downloaded (11) digital photographs to a secure file format. At 1539 hours, I released Items #VEH01-VEH07, VEH08-A through VEH08-C, VEH09, and VEH10 to Magnolia Station Property Locker #40.

At the end of the day, I observed the cleaning of possible blood from the interior and exterior front passenger area of the vehicle by Detective A. Brandt. I took (10) digital photographs of the vehicle after the cleaning, and moved the vehicle out of the Evidence Bay for release of custody. I downloaded the digital photographs to a secure file format. No further action was taken.

Narrative of Supplemental Report:

On 3/7/2014, I received a phone notification from Police Fleet Maintenance Coordinator B. Hite that a projectile had been recovered from the driver door window molding of RPD Unit #3934, near Strike Mark #4B by Maaco Collision Repair and Auto Painting. At 1404 hours, I arrived at Maaco (5925 Payton Avenue). I contacted front office employee Donna Vasilas (DOB: [REDACTED]). At 1406 hours, I took possession of a copper and lead projectile from Ms. Vasilas. The projectile was originally recovered by Body Shop Mechanic Javier Valdez (DOB: [REDACTED]). I labeled the projectile as Evidence Item #SMD01. At 1422 hours, I cleared the business, and transported Item #SMD01 to the Magnolia Station. I took (7) digital photographs of the projectile, and downloaded the photographs to a secure file format. Refer to the Property Report and Photo Log. At 1530 hours, I released Item #SMD01 to Magnolia Station Property Locker #43. No further action was taken.
